# ABOUT SANMIK

In 2003 Sanmik started the journey as a food processor and exporter under the name 'Lanka Bio Tropics Pvt. Ltd. Since then, Sanmik Food has been steadily growing aiming a long-term success. In 2007, with the establishment of 'Sanmik Food Pty Ltd' in Australia, company have expanded their wings offshore, giving a glimpse of becoming a successful business conglomerate. Satisfaction of the clientele being the main objective of Sanmik, quality of goods plays a major role in Sanmik's agenda. Coconut based products, vegan-friendly plant-based alternatives, sub-continental spices & herbs, dehydrated vegetables & fruits which are native to tropics, canned & frozen fruits, juices & fruit cocktails, Ceylon tea and a variety of condiments make up the majority of quality assured products handled by Sanmik.

Sanmik has been supplying a tremendous range of food products to the food service sector, especially targeting the food manufacturers in Australia, New Zealand, Japan, and USA.

Sanmik is committed to produce and run the business adhering to the guidelines of internationally recognized quality and welfare standards. Certified status of the operation guarantees the integrity in par with the standards like Fair-trade, Organic, KOSHER, SEDEX and BCSI. With the ongoing business development strategies, Sanmik is focusing on the rapidly changing market trends. Company continues to keep their promise on the quality by delivering innovative products, right time and right way.
